Delivering better GI outcomes

Perform HygiPrep® with the FDA cleared system to effectively clean the colon - comfortably

1

Patient Instructions for HygiPrep® will be provided to you when scheduling your prep. A few days prior to your scheduled visit you will receive a call to review the instructions.

2

Our trained Prep Tech will lead you to your private room where you will be seated on the sanitized basin. A sterile disposable nozzle will be introduced into the rectum. A gentle stream of warm water will flow into the bowel, loosening stool.

3

Water continues to flow allowing you to comfortably and discreetly evacuate your colon. The Prep Tech will instruct you on completion of the procedure, which routinely takes less than an hour.
